

OFF THE TRACK SPRING HORSE TRIALS 2019

Proudly Supported by Off The Track

We would like to welcome you all to this year and thank you for supporting our Event. As well as running an FEI event we include all other classes down to 65cm. With so many entries it is a huge task to accommodate everyone. We, (Thank you Lynne Brown from BSP), have managed to include all riders on the waitlist. Thank you also to my Eventing Committee for running not just their own events throughout Victoria but also MI3DE and now Spring. They are an amazing group!

Good luck

Janet

If you arrive on Saturday and cannot find a yard please park where you can tie up to your float or truck away from power cords. By Saturday afternoon there should be plenty of yards available for you to put your horse in.

Pre ordered Ice will be available from the truck near the Event Office.

Other ice is available to purchase from the 711 service station on Duncans Road towards Werribee, (no longer available at the Cache)

FEI Class riders – there will be 2 extra Arrival ID inspection times on Friday at 12:00 – 2:00 and from 5:00 – 6:00, in addition to the previously published Arrival Inspection times on Saturday. Don't forget to bring your ID documents 😊
