Teams Horse Trials

# 2018 Program

Northern Metropolitan Zone thanks the de Pury family for their ongoing generosity in allowing us to use their beautiful property 'Yeringberg'. Please show your appreciation by ensuring that all rubbish is disposed of properly and any manure or hay is spread throughout the grass. Do not leave hay band tied to trees.

Note: - It is a condition of use of the property that

**NO DOGS ARE ALLOWED.**

Neither the Organising Committee of this event nor the PCAV accepts any responsibility whatsoever for any accident, damage, injury, or illness to horses, riders, ground spectators or any other person or property.

**NORTHERN METROPOLITAN ZONE OF PCAV  
TEAMS HORSE TRIALS**

Reg No: A15609C

**Sunday 20 May 2018 at “Yeringberg, Maddens Lane Coldstream**

Conducted under the P.C.A.V. Rules for Horse Trials (current edition)

This is the 54th year this event has been held. The event started in 1964 as the Seville Teams Horse Trials held at the Weber property “Killara” in Sunnyside Rd, Seville. It moved to ‘Yeringberg’ in the late 1970’s following the 1978 State Horse Trials Championships. The original teams competition was open to other clubs and zones, but after about ten years it grew to a point where it was divided into two sections, and restricted to North Metro Zone clubs. The Weber family donated a perpetual trophy, as did the Lawlor family from Lilydale Pony Club; and since 1973, the Lawlor and Weber shields have been awarded to the winning teams from each section. The best three scores (penalty points) from a possible four count. Teams may consist of 3 or 4 riders that includes any combination of 1 x Grade 2, 1 x Grade 3 and 2 x Grade 4 riders. Again this year we have not had sufficient interest to run both shields, so only the Lawlor shield will be contested.

Thank you to all clubs who have helped to run the event. Thanks to parents and supporters who have sat on cross country fences, run gear checks, scored, pencilled, marshalled and couriered score sheets, to name just a few of the tasks necessary to making any event a success. Thank you also to our judges and officials (vet and first aid personnel, course controller and starter) - everyone's help is much appreciated by the organising committee and most importantly, by the riders.

A special thank you to those riders who are competing for another club today - this often allows a club to enter a team, which may have been otherwise impossible. It also means that composite teams can be entered, allowing more of our riders to compete.

#### **Extract from PCAV handbook of By-laws**

**Queries** - A competitor may raise a query at a competition, on a form provided by the organising committee, available at the event secretary's office. Once completed, the competitor must send the query form to the event secretary for investigation by the appropriate official. The appropriate official must answer the query as soon as possible. If the competitor is not satisfied with the explanation, they may lodge a protest within the prescribed time.

**Protests** - a competitor may lodge a protest in writing, with a \$50.00 fee, with the event secretary no later than one hour after the happening that led to the protest, or 30 minutes after posting of interim scores. The jury of appeal, or appropriate persons will consider the protest, and their decision is final. The competitor forfeits the fee, unless the jury of appeal or appropriate persons uphold the protest or decide there were reasonable grounds for the protest

**Good Luck to all riders - have a safe and enjoyable day!**

**Notes on Scoring:** The format for scoring at this event is the same as that used by the FEI and EA Horse Trials

- Penalty points are calculated based on the percentage score achieved in the dressage phase.

Percentage is obtained by dividing total good marks of the Judge (minus any error of course or test) by maximum possible good marks obtainable and then multiplying by 100 and rounding the result to two decimal digits.

In order to convert percentage into penalty points, this must be subtracted from 100 and rounded to one decimal digit. The result is the score in penalty points for the test.

- Jumping and time faults from the cross country and show jumping are added to the dressage penalty points to reach a final score.

### Teams

Teams consist of 3 or 4 riders with the best three scores to count for the team. Teams with less than 3 riders with placing scores will be ineligible.

- Dressage penalties based on percentage ensures that all team members contribute equally to the final result. -

Note: A 60% dressage score equals 40 penalty points going into the jumping phases of the competition whether you are in PC Grade 5 or FEI 4\* (Olympic level).

- Eliminated Riders: A rider who has been eliminated will not count towards the team score.

The team with the lowest penalty point score is the winner
