

# TEAMS EVENT AT SADDLE-UP YERINGBERG HORSE TRIALS

This is how it will work!

1. Riders enter Yeringberg in the appropriate grade and pay their entry fee as individuals, via the Nominate on-line entry system. (Entries open on Nominate on 25 February at 8 am)
2. Get together with your club and decide either as a group of friends or as a club to nominate a team, or teams for the team competition. Team entries will be \$25 per team. You will be able to enter a single team (personal, or up to 3 teams per entry for clubs)
3. Decide who will be responsible for payment of the entry fee – the club or the team riders. This will be up to the club to work out – i.e if the entry fee is divided between team members or will be paid out of club funds.
4. The fun part – decide on a team name
5. Enter your team or teams via the NMZ On-Line Team Entry form- you will need a credit card to do this. You will be able to substitute riders, but all riders must have entered via the Nominate on-line entry system
6. Team composition will be the same as currently – made up of 3 or 4 riders (any combination of 1 x Grade 2, 1 x Grade 3 and 2 x Grade 4). Best 3 scores to count towards the overall team score
7. The format will change – riders will not present as a team but we will endeavor to have all team riders having similar dressage times.
8. All riders will be eligible to achieve an individual placing within their section, plus sashes for team placings 1 – 6, with riders in the first placed team awarded a trophy and the relevant shield to be kept at their club for the following year.
9. Composite teams and teams from other zones will be accepted, however only a NMZ club will be eligible to receive the zone shield/s (Weber and/or Lawlor)

Enter your team [here](#)

(after 25 February when Yeringberg entries open)
