2016 Program

The Northern Metropolitan Zone of PCAV acknowledges the support of our major sponsor Saddle-Up Saddleworld, Shop 6, 282 Maroondah Hwy, Chirnside Park, 3116 and all our sponsors mentioned in this program. Please show your appreciation by supporting them.

Northern Metropolitan Zone thanks the de Pury family for their ongoing generosity in allowing us to use their beautiful property 'Yeringberg'. Please show your appreciation by ensuring that all rubbish is disposed of properly and any manure or hay is spread throughout the grass. Do not leave Hay band tied to trees.

Note: - It is a condition of use of the property that

NO DOGS ARE ALLOWED.

Neither the Organising Committee of this event nor the PCAV accepts any responsibility whatsoever for any accident, damage, injury, or illness to horses, riders, ground spectators or any other person or property.

**NORTHERN METROPOLITAN ZONE OF PCAV
TEAMS HORSE TRIALS**

Reg No: A15609C

Sunday 15 May 2016 at “Yeringberg, Maddens Lane Coldstream

Conducted under the P.C.A.V. Rules for Horse Trials (current edition)

This is the 52nd year this event has been held. The event started in 1964 as the Seville Teams Horse Trials held at the Weber property “Killara” in Sunnyside Rd, Seville. It moved to ‘Yeringberg’ in the late 1970’s following the 1978 State Horse Trials Championships. The original teams competition was open to other clubs and zones, but after about ten years it grew to a point where it was divided into two sections, and restricted to North Metro Zone clubs. The Weber family donated a perpetual trophy, as did the Lawlor family from Lilydale Pony Club; and since 1973, the Lawlor and Weber shields have been awarded to the winning teams from each section. The best three scores (penalty points) from a possible four count. Teams may consist of 3 or 4 riders that includes any combination of 1 x Grade 2, 1 x Grade 3 and 2 x Grade 4 riders.

Thank you to all clubs who have helped to run the event. Thanks to parents and supporters who have sat on cross country fences, run gear checks, scored, pencilled, marshalled and couriered score sheets, to name just a few of the tasks necessary to making any event a success. Thank you also to our judges and officials (vet and first aid personnel, course controller and starter) - everyone's help is much appreciated by the organising committee and most importantly, by the riders.

A special thank you to those riders who are competing for another club today - this often allows a club to enter a team, which may have been otherwise impossible. It also means that composite teams can be entered, allowing more of our riders to compete.

Extract from PCAV handbook of By-laws

Queries - A competitor may raise a query at a competition, on a form provided by the organising committee, available at the event secretary's office. Once completed, the competitor must and the query form to the event secretary for investigation by the appropriate official. The appropriate official must answer the query as soon as possible. If the competitor is not satisfied with the explanation, they may lodge a protest within the prescribed time.

Protests - a competitor may lodge a protest in writing, with a \$50.00 fee, with the event secretary no later than one hour after the happening that led to the protest, or 30 minutes after posting of interim scores. The jury of appeal, or appropriate persons will consider the protest, and their decision is final. The competitor forfeits the fee, unless the jury of appeal or appropriate persons uphold the protest or decide there were reasonable grounds for the protest

Good Luck to all riders - have a safe and enjoyable day!

Notes on Scoring: The format for scoring at this event is the same as that used by the FEI and EA Horse Trials

A multiplying factor of 1.5 will be applied to the dressage scores: this helps to keep the variations between rings fairer and the competition closer.

- Penalty points are calculated based on the percentage score achieved in the dressage phase.

Percentage is obtained by dividing total good marks of the Judge (minus any error of course or test) by maximum possible good marks obtainable and then multiplying by 100 and rounding the result to two decimal digits.

In order to convert percentage into penalty points, this must be subtracted from 100 and multiplied by 1.5 with the resulting figure being rounded to one decimal digit. The result is the score in penalty points for the test.

- Jumping and time faults from the cross country and show jumping are added to the dressage penalty points to reach a final score.

Teams

Teams consist of 3 or 4 riders with the best three scores to count for the team. Teams with less than 3 riders with placing scores will be ineligible.

- Dressage penalties based on percentage ensures that all team members contribute equally to the final result. - Note: A 60% dressage score equals 60 penalty points going into the jumping phases of the competition whether you are in PC Grade 5 or FEI 4* (Olympic level).

- Eliminated Riders: A rider who has been eliminated will not count towards the team score.

The team with the lowest penalty point score in each shield is the winner

North Metro Zone's Teams Horse Trials:

The format for the dressage at the teams' horse trials requires riders to enter the arenas as a team of four (or 3) and proceed to their respective rings. Riders do not present to the judge individually but circle at 'A' until the judge indicates they should enter the ring by showing a red flag. At the completion of the test, riders will wait outside their respective ring until all members have finished their tests; they then exit the arenas as a team. Because teams can comprise either 3 or 4 members, this means that a judge may not have a rider in their ring if the team has only 3 members.

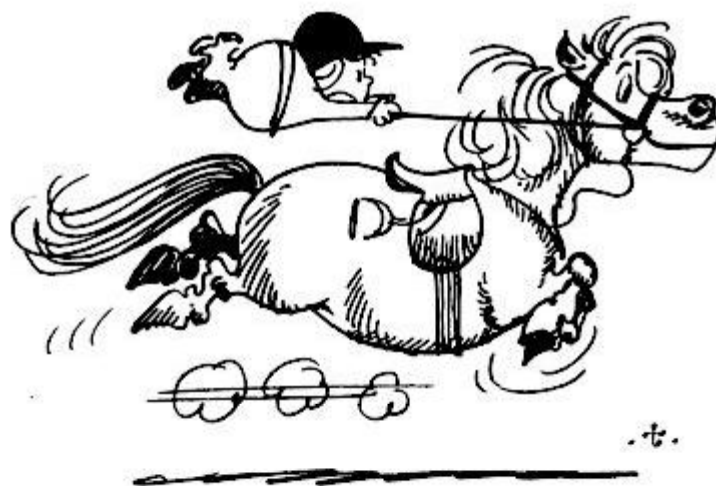

The two clubs running the dressage at this event will each be responsible for teams in either the Lawlor Shield or the Weber Shield. Riders should present to their respective shield's gear checker **as a team**.

The marshall for each shield is responsible for ensuring teams are called up from the warm up areas and directed to the "gate" into the arenas. The chief marshall will then ensure the riders enter the central pathway between the arenas as a team and 'drop off' team members at the appropriate ring. Usually this means the Grade 4 riders are 'dropped off' first, then the Grade 3 rider, and if there is a Grade 2 rider, he/she continues alone to the last ring. All riders circle outside their respective rings at "A" until the judge indicates they should enter to start their test.

When each rider finishes his/her test, they should exit at A and wait until collected by the rest of their team – for example; in a team of 4, the Grade 2 rider picks up the Grade 3 rider and then they collect the two Grade 4 riders. All riders then exit the arenas as a team.

For the remainder of the event, riders present individually to cross country and their respective show jumping rings – either Lawlor or Weber Shield.

The best three scores (penalty points) from a possible four determine the winners: i.e. the team in each shield with the lowest number of penalty points. To ensure that all riders have an equal opportunity to contribute to their overall team score, the total dressage good points scored by the judge are converted to a percentage score. The penalty points are calculated based on this percentage of the maximum possible points for the test in each grade. Thus every team member's score has exactly the same influence in the final result
